

You are able to log into Dimensions using your institutional login details.
This works as follows -

1. Simply go to app.dimensions.ai, and click on “Log in” in the top right corner of the page.

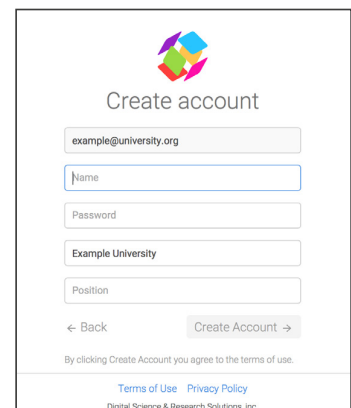

The screenshot shows the Dimensions website interface. The top navigation bar includes the Dimensions logo, a search bar with the text "e.g. plastic AND instrument", and links for "Support", "Register", and "Log in". The "Log in" button is highlighted with a red rectangular box. Below the navigation bar, there are sections for "PUBLICATIONS", "GRANTS", "PATENTS", "CLINICAL TRIALS", and "POLICY DOCUMENTS". The "PUBLICATIONS" section is expanded, showing a list of publications with details such as title, author(s), and citation counts. On the right side, there is a "ANALYTICAL VIEWS" section with a "FIELDS OF RESEARCH" table and an "OVERVIEW" section with a line graph showing citation trends.

2. On the next screen enter your institutional email address.
3. This will be recognised, and you will be redirected to the institutional SSO login page for authentication. (PLEASE NOTE - The first time that you do this, you will be required to confirm your identity by a verification code which is sent to your email address, and must then be input into the system. There then follows a screen where you need to confirm your details for account registration, which looks like the “Create account” picture here)
4. Once you are authenticated, you are automatically returned to the Dimensions page where you will be logged in, see all five data types, and be able to save searches and export results lists (with up to 5,000 results per download).

The screenshot shows a form titled "Enter your email". It features the Dimensions logo at the top, followed by the text "Enter your email". Below this is a text input field labeled "Email" and a "Next →" button.

The screenshot shows a form titled "Create account". It features the Dimensions logo at the top, followed by the text "Create account". Below this are several text input fields: "example@university.org", "Name", "Password", "Example University", and "Position". At the bottom, there are two buttons: "← Back" and "Create Account →". Below the buttons, there is a small text line: "By clicking Create Account you agree to the terms of use." At the very bottom, there are links for "Terms of Use" and "Privacy Policy", and the text "Digital Science & Research Solutions, Inc."
